Special Feature

Volume 38 - Volume 47

Subject* Index

Acoustic Analysis

Analysis of Hang-up Transients for the Same Model Telephone 46-3 294
Determination of the Frequency Characteristics of Filters 45-1 51
Diagonal Erase Head Marks - An Anomaly 41-2 96
Examination of Telephone On-hook/Off-hook Transients 44-2 139
Introduction to Forensic Examination of Audio and Video Tapes, An 39-2 75
Recording Cordless Telephone Conversations for Increased Signal Enhancement Effectiveness 45-3 250
Reel Periodicity Determinations in Authenticity Examinations . 42-3 237
Serial Time Code Analysis in Authenticity Determinations 41-3 179

AFIS

AFIS Development in the Peoples Republic of China .. 41-3 176
AFIS Subcommittee Report .. 43-6 640
Effect of Friction Ridge Skin Growth on AFIS Matches, The 47-2 150
Fingerprint Image Exchange Standard 42-2 129
Major Crimes – Latent Print Computer Searching 45-3 268
NIST Revises Draft Working Document 42-2 145
Report from 75th Annual Conference on AFIS Subcommittee Proceedings . 40-6 360
Resolution: Line-pairs and What They Mean 41-5 333
Subcommittee on AFIS Information 41-5 368
Twenty-Nine Years of Technology 43-1 75
Utilization of an XY Axis Template for Printrak 40 AFIS System on the Input Terminal Video Display Screen 40-6 345
Why Identifications Are Likely to Score in Rank One in AFIS Latent Print Searches Against Large Files 41-2 107

AfterThoughts

Broccoli, Kant and Bette Midler 47-6 799
But By Degrees 47-4 509
Strictly Speaking 47-5 620
Willful Blindness 47-3 377

AfterWords

Alternative Method of Photographing Cyanoacrylate Developed Latent Prints on Clear Plastic Material, An ... 44-2 187
Cyanoacrylate Fuming of Latent Prints: Vacuum Versus Heat/ Humidity 44-5 545
Digital Enhancement and Transmission of Latent Prints 46-5 573
Effective and Cost Efficient Catalyst (Sawdust) 44-2 191
Missing Children Initiative in the Pilot State 46-2 220
Reconstructing Drive-by Shootings from Ejected Cartridge Case Location 45-4 427

Use of Chiropody/Podiatry Records in Forensic and Mass Disaster Identification, The . 44-1 26
Use of Direct Positive Photographic Paper in the Preparation of Fingerprint Exhibits 39-4 244
Use of Embalming Fluids in the Restoration of Mummified Fingers, The 46-5 529
Use of Fingerprint Powders to Develop Latent Prints on Electrical or Plastic Tapes, The 41-6 417
Use of Fingerprints in Identification 41-2 121
Use of Plastic Receiving Surfaces in the Fingerprinting of Mummified Fingers, The ... 44-3 251
Use of "Stun Gun" Devices for Making Electrostatic Dust Print Lifts 44-4 364
Use of the Personal Computer to Search Latent Prints in a Specifically Designed File, The 42-3 225
Use of UV Photoreactive Curing Systems to Preserve Latent and Patent Prints 40-6 349
Using Color in Forensic Digital Image Enhancement 44-4 357
Using Manufacturing Companies to Assist in Footwear Cases .44-2 130
Using the ESDA to Detect Dusty Shoeprints on Paper ..41-6 421
Using the FFT in Forensic Digital Image Enhancement 43-6 573
Use of the Personal Computer to Search Latent Prints in a Specifically Designed File, The 42-3 225
Use of UV Photoreactive Curing Systems to Preserve Latent and Patent Prints 40-6 349
Using Ultra-Violet Light to Enhance Blood 42-5 404
Utilization of an XY Axis Template for Printrak 40 AFIS System on the Input Terminal Video Display Screen 40-6 345
Vacuum Metal Deposition and Cyanoacrylate Detection of Older Latent Prints 46-1 32
Vacuum Metal Deposition of Silver as an Aid in Credit Card Examinations 47-1 5
Vacuum Metal Identification, A 41-5 318
Value of a Firearms Open-Case File, The 43-3 245
Value of a Strength Scale in Identification from Podiatry Records 47-2 162
Value of Shadow in Footwear and Tire Track Evidence Recovered by Photographic Techniques, The 38-3 91
Visualization of Latent Impressions After Incidental or Direct Contact with Human Blood 47-5 534
Voice Comparison Standards ..41-5 373
Voice Identification and Acoustic Analysis Report ...41-5 393

Why Identifications Are Likely
to Score in Rank One in AFIS
Latent Print Searches Against
Large Files 41-2 107
Willful Blindness 47-3 377
Zodiac: An Unsolved
Serial Murder, The 39-3 165

Special Feature

Volume 38 – Volume 47
